

The undersigned, in common with many others, believing that honor is due to the memory of the late Dr. William T. G. Morton, for his services in introducing to the world the inestimable discovery of anæsthetic inhalation, desire to erect a simple monument over his remains at Mount Auburn, and also to make some provision for his surviving family.

Subscriptions may be paid to any of the gentlemen whose names are subjoined, who are authorized to receive and apply them to the above purpose.

JACOB BIGELOW, M.D., 59 Mt. Vernon St.

J. INGERSOLL BOWDITCH, 28 State St.
